Dear Sam,

As Labor Day approaches, our thoughts go back to our wedding last year. And, of course, we certainly couldn't remember that day without acknowledging the special role you played in making our wedding reception special + memorable for us.

Sam, thanks for being such a great DJ for the reception. We received tons + tons of compliments on how great the music was. We thank you for your hard work that day, and for helping to make sure that our guests had a good time.

We hope you and your family are doing well, and we hope you all have a great Labor Day Weekend! Thanks again — oh, and save the date for our 10-year Anniversary Bash! ☺☺

Always, Bridgette + Van
