

Meeting the
family members
where they are
in their journey

**THE FAMILY SOLUTION
FINDER LEARNING CENTER
LEVEL II**

Level II.

SETTING-UP THE FAMILY SOLUTION FINDER LEARNING CENTER

**A FAMILIES JOURNEY WITH
SUBSTANCE USE DISORDERS.**

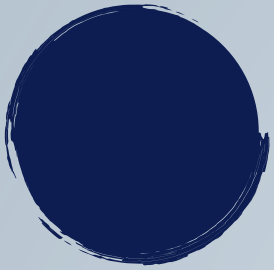

It's Local

It's personal, it's family and the family deserves our best.

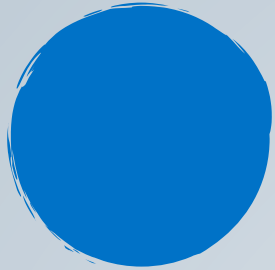

- Empowering the family with knowledge is a community and local initiative. It is not something they will find surfing the internet.
 - Delivered by people that live and work within the family's community.
 - 32 key issue the family is likely to experience in their journey with substance use disorders. We know what they are going to need in addressing each issue, and we will educate them in how to respond.
 - Local organizations and agencies converging on a single focus " Treat the family as though they are the core to our community's success".

Learn About Their Journey Thru 32 Key Issues

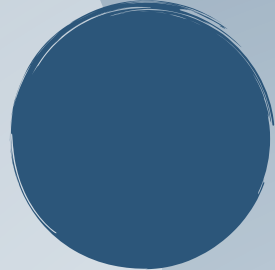

The Family is a System

Learning the family members dynamic, using this understanding to plan and respond more effectively to issues

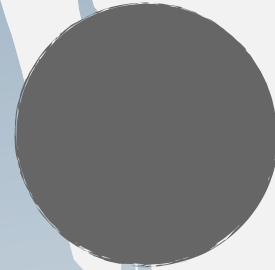

This is a chronic Brain Disease

Understanding why it is a brain disease, how it progress and how it is treated as a chronic brain disease over a lifetime of recovery.

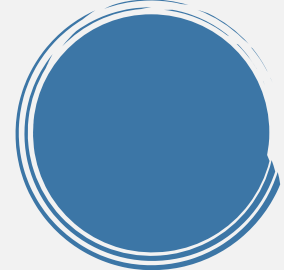

Using Support Structures

Having knowledge of support service applied to each issue increases effectiveness of services provided

Knowledge is Empowerment

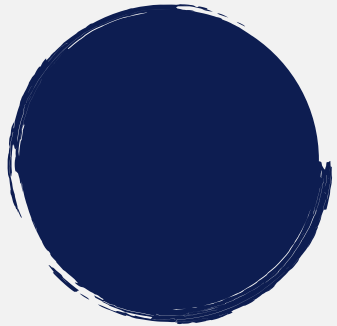

Knowing what is likely to come next, allows the family to be prepared with how they will respond. Save Time, Reduces Stress and Increases Quality of Family Life.

Family Plan of Action

Being prepared with the needed document, contact information and criteria for support, bring better outcomes.

The Family Solution Finder Learning Centers

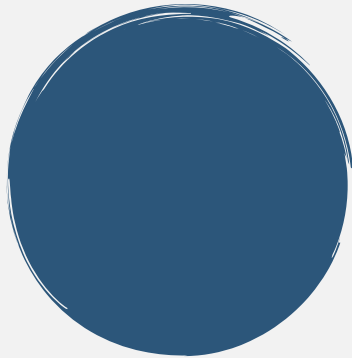

Buy the Books

There are two books for family members, Study Guide & Workbook

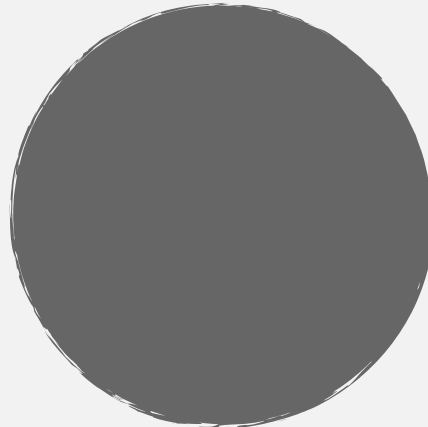

Staff Learns the Family Journey

A staff awareness of the issues a family faces, will increase their professionalism.

Present the 32 seminars to family members

Give the books to family members. Set a schedule for presenting the 32 seminars

Invite Families to ask questions

Invite families of those you serve for their feedback to the book, it shows you care.

The Product: LEVEL II.

The 32 presentations create a lasting relationship with the family members. It is the family who typically influence where their loved one goes for support.

Books for The Family & The Provider

The Family Solution Finder Learning Seminars Study Guide and Workbook

- 32 Learning Seminars
- The Family Solution Finder Study Guidebook clearly defines each issue.
- These two books educate the family member as to the issues they will face in their journey
- The Family Solution Finder Learning Seminar Workbook. Provides practical exercises, Video Links for extended learning and Family Plan of Action for each issue.

The Pathfinder Certificate of Completion Seminar

- 12 Essential Issues, each family needs to learn about these 12 issues.
- This book educates providers as to the issues a family faces in their journey.
- The single book includes both study guide and workbook sections.
- Provides practical exercises, Video Links for extended learning and Family Plan of Action for each issue.

Best of the Cities Bests Best Practices for the Family

- Provides Best Practices for a family to use in managing how they will respond to these 32 issues.
- This book is a guide for the family to use in setting up their families “Best Practices” to ensure all that can be done, is getting done.
- The provider can also set their best practice as services to match the families needs.

Empowered to Act

When a family clearly understands the issues they will face, the obstacles that are likely to present and the solution to each issue; they will be better prepared to receive support and achieve stronger results.

They will also remember who gave them this knowledge.

Next Step:

Buy a case of both books

- Have the admissions team or first contact with the family members include giving them a copy of both books.
- Include your information to the inside cover of both books.
- Set up a schedule for presenting each seminar.
- Go online to download the seminar PDF and send this document to the registered attendee prior to the meeting.
- Set up a room with Audio/Video and Screen, Internet access speaker with agenda and handouts.
- Make a note to have someone in the follow up process, ask the family if they have questions about the topics within the book.

NOTE: *it is reasonable to have attendees pay for their study guidebook and workbook.*
