

Herman Edwards
Head Coach

June 8, 2004

Dear Ken,

I want to thank you for being directly involved in the 1st annual Herman Edwards Charity Golf Classic. Your support, tireless efforts, and commitment contributed to the great success of this event.

Thank you for your professionalism and patience in dealing with us coaches, the players, and all of the golf participants. Your enthusiasm and dedication was evident throughout the day. It is people like you, "behind the scenes" that make events like this a success.

Many young kids involved with the Generation Jets Academy will directly benefit from this charity event. We are giving these kids an opportunity to lead better lives.

Thank you again for your positive representation of the New York Jets.

Sincerely,

A handwritten signature in black ink, appearing to read "Herm Edwards".
