I have been a VFW Auxiliary member for fifteen (15) years, joining under the eligibility of my husband, a Vietnam Veteran. My father served in Normandy during D Day. I have been married for 47 years to my best friend and have been a member of the American Legion Auxiliary for 46 years during which time I held the Secretary/Treasurer, Junior and Senior Vice and President positions. I then discovered the VFW and have dedicated all my efforts there ever since.

We have two children and seven (7) grandchildren. While we raised our children, I completed my bachelor’s degree in Management, and spent 35 years as a Human Resource Manager in both healthcare and retail.

My time with the VFW has taught me so much regarding mentoring and supporting all those volunteers who have the passion I have for supporting our Veterans and their families.

I ask for your support as the next Department Guard for Arizona in 2020-2021 so that I might continue my drive to listen, support, mentor and increase our membership for continued awesome ways to complete our mission for our Veterans.
