Important: Orders require at least 3 days notice to allow us to fit it into our harvesting schedule. Many items we pick directly from the field expressly for your order. That's Fresh!

Minimums required for wholesale pricing:

- At least 1 full case of one item
- At least 3 days advance notice.

****Limited to items currently available wholesale.***

Terms

We always appreciate it when a customer pays cash at the time of delivery, but we can also accommodate e-transfer or Visa square payments.

Prices

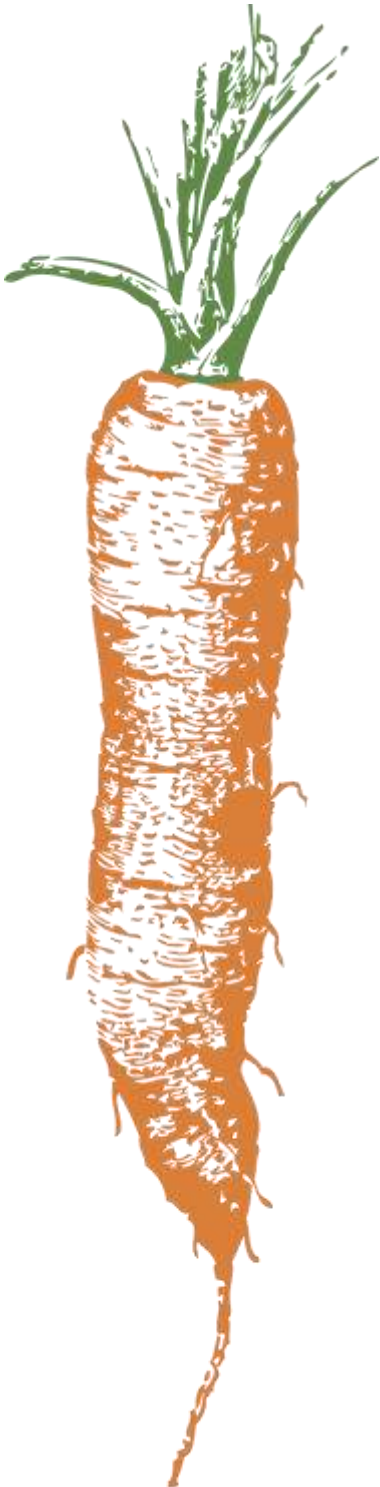

If you would like to be kept informed of prices, we can email a Produce Availability List once a month, which lists which vegetables are available and what our price is. You can order by return email. It's easy and convenient.

If you would like to receive our email availability list, send us an email, and we'll put you on the list.

Availability

Check our Product List (see back side). Each item lists the normal season for that vegetable. This will give you a general idea of whether what you want is in season now.

Discounts and/or delivery may be available to businesses ordering high volume on a regular basis. Please call for details/availability.
