

Aloha mai kakou. 'O kela 'o \_\_\_\_\_(your name here)

He Hawai'i au!

I am here today on behalf of Ohana \_\_\_\_\_ (your identifying bloodline)

My kuleana is

---

---

In detail, I (do what?)

---

---

*Aloha mai kakou. 'O kela 'o Kahala Azuma Maui*

*He Hawai'i au!*

*I am here today on behalf of Ohana Maui – the bloodline, then the island*

*My kuleana is outreach, strategy and family systems.*

In detail, I see what others are upto and send that communication to the masses, looking for those who would like to get involved. I then look past where they are and assess my research to identify what is needed in those areas. I then prepare the research I find on the topic to those community leaders for action. I am the ace in the hole and the "house mom". Once that is done, I come back to meet my familial needs while action plans are being established. I return to the scene with refreshment for kia'i. I photograph & document what I can before moving into family systems. After assisting our general lahui, I return to the top of this kuleana and vibrate further. Then I pray, cleanse and do it again. The mea'ai kino is my pastime hobby that I share with other growers all around me. We prepare nursery sized plants and extend gardens all around us, sharing what we grow.
