

*There is no medicine like
hope, no incentive so
great, and no tonic so
powerful as expectation
of something tomorrow.
We will overcome this
challenge, we will
prevail and we will
come out stronger than
ever!*

Dear parents and families,

As you know, we are well in the phase II of the relaunch strategy. More services and business are now open and many of us are getting the sense of normalcy back and this is great!

However, the virus is still among us and with more potential chances of transmission now, we cannot lower our guard. Our Centre is taking all the precautions to prevent the spread and our parents and children are 100% in this with us - Thank You!

Plus, the sanitary and safety procedures are becoming second nature and all the children understand the importance of washing hands and keeping a safe distance.

We have our three Centres open as many of our children are coming back. We also resumed offering hot-lunches.

The outside play area was fitted with new artificial turf and added more toys.

Take care,

Fort Road Day Care & OSC
