

Single & Dual-Axle Trailers

Mi-T-M Single and Dual-Axle Trailer units are fully integrated and self-contained systems that are designed with a large water supply tank for working at remote sites where water is not accessible.

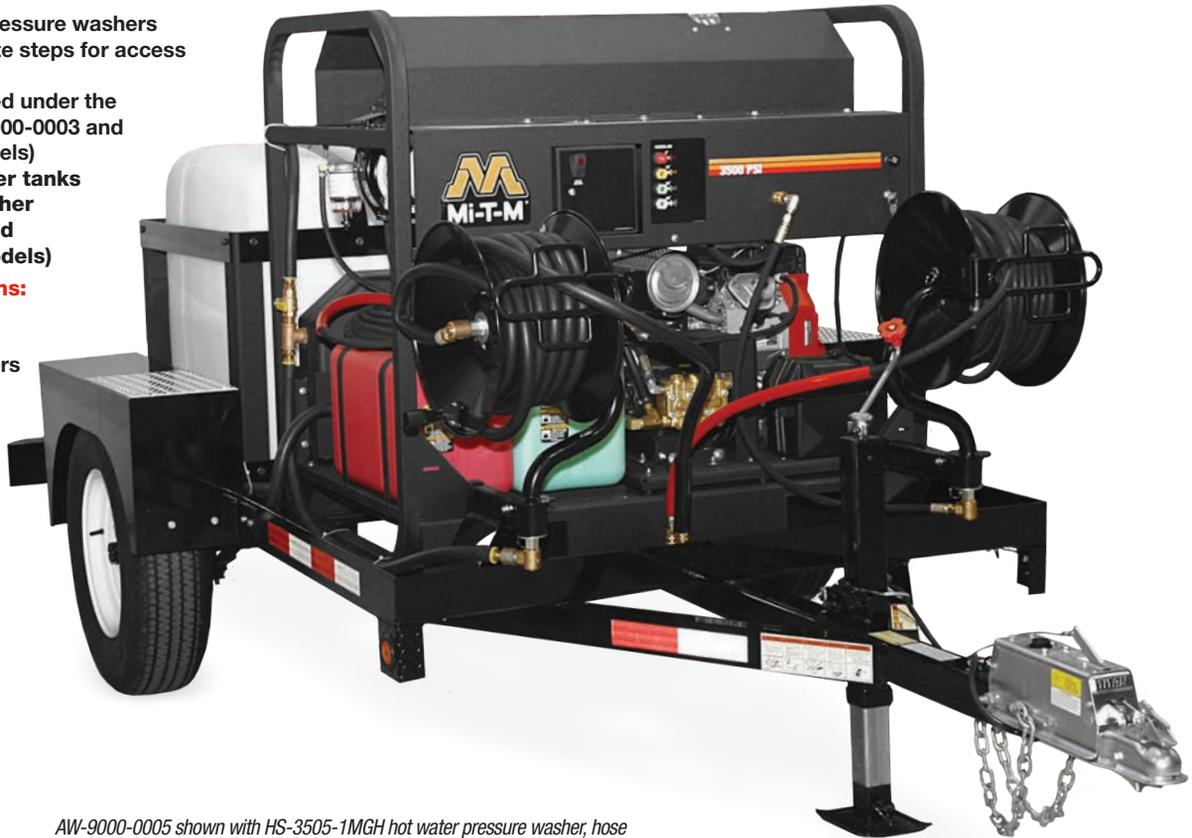

Features:

- Swivel jack with pad
- Rubber mounted sealed lights
- Tanks are enclosed in a powder coated steel frame
- Will fit all Mi-T-M pressure washers
- Aluminum treadplate steps for access to water tank
- Storage area located under the water tanks (AW-9000-0003 and AW-9000-0004 models)
- (2) 200-gallon water tanks are plumbed together (AW-9000-0003 and AW-9000-0004 models)

Accessories & Options:

- Pressure washers
- Hose reels
- Back-flow preventers
- Trailer tank bypass
- Trailer hitches

SINGLE-AXLE TRAILERS

MODEL NUMBER	WATER TANK	BRAKES	COUPLER	TIRES	AXLE	TRAILER DECK PLATE	ANGLE FRAME	TRAILER BED DIM.	GROSS VEHICLE WT.
AW-9000-0005	200-gallon	Surge	2in.	(2) ST205-75R 15-in. radial	(1) 3,500 lb.	.25in. solid steel	3in.x4.25in.	5ft.x8.5ft.	3,500 lb.
AW-9000-0006	200-gallon	Electric	2in.	(2) ST205-75R 15-in. radial	(1) 3,500 lb.	.25in. solid steel	3in.x4.25in.	5ft.x8.5ft.	3,500 lb.
AW-9000-0007	200-gallon	None	2in.	(2) ST205-75R 15-in. radial	(1) 3,500 lb.	.25in. solid steel	3in.x4.25in.	5ft.x8.5ft.	3,500 lb.

DUAL-AXLE TRAILERS

MODEL NUMBER	WATER TANKS	BRAKES	COUPLER	TIRES	AXLES	STORAGE AREA	TRAILER DECK PLATE	ANGLE FRAME	TRAILER BED DIM.	GROSS VEHICLE WT.
AW-9000-0003	(2) 200-gallon	Surge	2in.	(4) ST205-75R 15in.	(2) 3,500 lb.	5ft.x4ft.x12in.	.25in. solid steel	3in.x4.25in.	5ft.x8.5ft.	7,000 lb.
AW-9000-0004	(2) 200-gallon	Electric	2in.	(4) ST205-75R 15in.	(2) 3,500 lb.	5ft.x4ft.x12in.	.25in. solid steel	3in.x4.25in.	5ft.x8.5ft.	7,000 lb.
AW-9000-0008	(1) 200-gallon	Surge	2in.	(4) ST205-75R 15in.	(2) 3,500 lb.	None	.25in. solid steel	3in.x4.25in.	5ft.x8.5ft.	7,000 lb.

As a company we continually strives to seek advancements in technology, therefore the design of Mi-T-M trailers may change after the publication of this catalog.

Customize to fit your application needs with a high quality Mi-T-M pressure washer to get large jobs done quickly wherever you may need to work.

Single & Dual-Axle Trailers

AW-9000-0003 shown with HS-3505-1MGH hot water pressure washer and hose reel (available as accessories)

Single & Dual-Axle Trailer Accessories and Options

High Pressure Hose Reels

These high pressure hose reels include a reel with jumper hose and mounting bracket.

TX-0001 (13-inch reel)

TX-0002 (16-inch reel)

Low Pressure Hose Reels

This low pressure hose reel includes a hose with mounting bracket and plumbing.

TX-0003 (16-inch reel)

Back-Flow Preventers

The back-flow preventer is required on trailer units in California.

TX-0011

- Adds the backflow preventer to dual-axle trailers, AW-9000-0003 and AW-9000-0004 and single-axle trailers that have the TX-0003 low pressure hose reel option
- Mounts to hose reel or inlet plumbing on trailer

TX-0012

- Adds the backflow preventer to single-axle trailers that do not have the TX-0003 low pressure hose reel option
- Mounts to inlet plumbing on trailer

Trailer Tank Bypass

TX-0005 (Dual-axle trailer tank bypass, for use with HS Series)

TX-0007 (Single-axle trailer tank bypass, for use with HS Series)

- Removes the float system, while adding the necessary plumbing
- Water bypasses back to water tank

Replacement Hose Reel Parts

When adding hose reels to the single or dual-axle trailers, use the following jumper hose and mounting bracket.

15-0159 (Jumper hose)

13-0179A01 (Mounting bracket)

50-0195 (13-inch hose reel, 150-foot max. hose length, rated for 4000-PSI units and lower)

50-0196 (16-inch hose reel, 200-foot max. hose length, rated for 4000-PSI units and lower)

Trailer Hitches

This specially designed heavy-duty, 2-inch trailer hitch has a pin-style fastener trailer coupler and hinged ball socket with visual indication of proper closure around the ball - all to ensure a quick, easy and secure hook-up. Includes hitch with brackets and hardware.

TX-0009 (For use with AW-9000-0006 and AW-9000-0007 trailers)

TX-0010 (For use with AW-9000-0004 trailer)
