

## Poppet's Pre-School Nappy Changing Procedure

When changing a child's nappy staff should -

- Put on gloves.
- Remove the child's nappy and clean the child with wet wipes.
- Put on a new nappy.
- Help the child to wash their hands.
- Clean the changing mat with an antibacterial wipe.
- Discard of wipes, gloves and nappy in a nappy bag. Put the bag in the bin.

This procedure should be followed when changing more than one child.
