

Seven reasons to join Friends of Molalla Pool

<http://friendsofmolallapool.org>.

- 1) **Be part of something bigger!** Your voice will be added to others who support the Molalla Aquatic Center and our work. *Everyone counts!*
- 2) **Protect your investment!** Residents of the Molalla River School District paid to build the Aquatic Center. Why let that investment get thrown away just a few years later?
- 3) **Build a healthier community!** Aquatic exercise is healthy activity for people of all ages.
- 4) **Save a life!** We have a river nearby; swim lessons could save someone's life.
- 5) **Support local kids!** The Molalla Aquatic Center was a great source of jobs for local youth, many of whom continue to lifeguard in college and beyond. It was also home to competitive swim teams for area kids from elementary school through high school.
- 6) **Improve Molalla's livability!** Facilities such as the Molalla Aquatic Center improve the livability of the surrounding area, which enhances property values.
- 7) **Make our day!** Your support means a lot to the members of Friends of Molalla Pool. Even if you can't be hugely involved, by joining you're telling us you believe in the Molalla Aquatic Center and that we are on the right track.
