President's Message

Dear Friends,

I am proud to send this message of thanks to those of you who have stepped forward to help create your beautiful Art Center. As a non-profit organization, survival is critical to your helping hands. One of our on-going tasks is to ask for volunteer help. "The Ask" becomes redundant but necessary so we thank you for your patience.

Volunteers are needed Tuesday through Saturday to host the center. It is an easy task that includes things like answering the phone, greeting visitors, tidying up the gift shop displays, conducting sales, and finalizing the days' activities - depending on whether you are hosting the morning, 11 am - 2 pm or afternoon, 2 pm - 5 pm. (Saturday hours are slightly different: morning, 10 am - 1 pm and afternoon, 1 pm - 5 pm. Training is available and you can even share the time with a friend. What could be a more lovely environment to spend an occasional few hours? Will you please join us?

Also, I am happy to announce that the Center is continually bringing in new art items, in both the gift category and gallery. First Friday receptions offer featured openings, refreshments and camaraderie. Please visit and enjoy your MCA!
