A few more ideas based on the classroom routine.

Theme - Transport

Morning Circle Time

(Literacy/Numeracy/SESE/SPHE)

Good Morning song https://www.youtube.com/watch?v=cwuxK9z_s7o

Use the link above (Happy Birthday tune) and sing the following song. At school we usually ask the child to choose their photo from the board during the song.

Good Morning to You!

Tune: Happy Birthday

Good Morning to you,
Good Morning to you,
Good Morning to (name),
Good Morning to you!

Sing along with the child and encourage them to clap. When the song is finished - Today is... (say the day)

Weather Song

<https://www.youtube.com/watch?v=KUSbzn3STo>

This song is very similar to the one we sing in class every day (I have changed a few words but the tune is the same).

I always encourage the children to look out the window and then they choose what they think the weather is like from a choice of two weather pictures.

Literacy

I will usually read a story, sing some songs and show objects/pictures based on our monthly theme. I try to immerse the children in the theme as much as possible.

This video on youtube is very similar to what we would do in class.

Car Book - Copy onto card, cut out the car shape and fold it in half to create a car-shaped book cover. Invite the children to cut pictures of cars to stick inside the book.

Numeracy

For numeracy we read number stories, sing number songs, use props and resources to count, sort and match. We use the interactive whiteboard for maths games.
