

BOMBARDIER Challenger 604

Based in Seletar, Singapore

The Challenger is Bombardier's best-selling private jet line. With a dispatch reliability rate unlike any other, it's clear why this is Bombardier's flagship business jet. Outstanding capabilities boasting the widest cabin in its category on par with our Global aircraft. With a transcontinental range close to 4,000 nautical miles and cruise speeds of 541 mph (0.82 Mach), this spacious Challenger 604 is perfect for any mission.
