*Our programs work aggressively to reduce one's debt balances but creditors are under no contractual obligation to accept settlement offers from us. We do not assume consumer debt, make monthly payments to creditors or provide tax, bankruptcy, accounting or legal advice. Read and understand all program materials prior to enrollment. Not all debtors will qualify for debt settlement programs. Statements made are not intended to be a guarantee that your debt balance will be lowered by a specific amount or percentage or that you will be debt-free within a specific time period. Individual results may vary based on your ability to save funds to complete a debt resolution program, the creditors in your portfolio, and amount of debt enrolled.
