Absolute Dance Company's Code of Ethics

Mission Statement:

To have our dancers achieve new levels of artistry and performance beyond what is possible in their regular class work. To train and empower students to a pre-professional level with a competitive edge who may consider dance as a major or minor in college.

Values

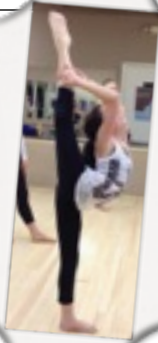

Integrity - To conduct oneself with integrity through honesty, courtesy, respect, and consideration for your fellow dance members and faculty. This includes a willingness to be held accountable for the manner in which you participate in all company activities.

Leadership - To be given the privilege of setting an example, serving the people you are leading, and being an inspiration to others in the Absolute Dance Company community.

Responsibility - To adhere to the policies and procedures of the studio and company, to comply with the schedule and requests of the faculty, and to be a person who others can count on.

Professionalism - To respect the dance profession and uphold our values and standards of conduct in a way that characterizes the highest qualities of dance professionals. This includes respecting your teachers, supporting and encouraging each other, to not gossip, but be able to voice opinion to a company director about your concern, and to recognize yourself as a role model at all times.

Character - To be a person who represents personal integrity, leadership, responsibility and professionalism in classes, outside activities and events, and in all interactions with peers and authority figures.

Absolute Dance Company Studio Policies

Please note the following guidelines regarding all classes:

1. We request that students carefully observe our dress code outlined in this booklet.

2. Students should arrive 5 minutes prior to their scheduled class time. Please do not disturb the class in progress. Please wait in the waiting room until your scheduled class time.

3. School age children and teens: *please practice respect.* Students are not to be socializing in a disruptive manner during the class with other students. Please come early or stay late to enjoy friends in the waiting area. Please honor your teacher and fellow students by giving full attention and co-operation. You will be advised if we feel any student is not well adjusted to the classroom environment for any reason over time.

4. Cell phone use during class is prohibited. Any cell phones brought into the studio must be set to silent.

5. Students must adhere to the dress code, code of ethics, studio policies, and attendance agreement. Please contact Absolute Dance Company owner/director Brandie Andrews with any questions or concerns.

6. For the safety of the students, please be available to collect students in the waiting room or reception area following class. Please call if you will be running late.

7. Level placement is decided after evaluation of each student. Experience and ability determine a student's level, not his or her age. Students will not be moved into a higher level based on parent request. Please respect the decision of your instructor.

Dance class provides education and enjoyment, however, an important part of class work is developing an attitude of discipline and respect for teachers and fellow students. We trust that following our classroom etiquette will provide an environment whereby classes at Absolute Dance Company will be a pleasure for all enrolled.

Summer 2015 Tuition and Registration Fee Information

For example: If I only want to enroll in Thursday's Ballet Level III from 5:00 p.m. to 6:30 p.m., my tuition would be \$80.00. I would attend this class every Tuesday for the entire 5 week session. Let's say I purchase a Gold Pass. I can choose any 7 classes that are in my age range/skill level. If I am an advanced dancer I can choose to attend Ballet Level IV on Monday, Advanced Contemporary on Monday, Extreme Stretch on Monday, Conditioning on Thursday, Ballet IV on Thursday and Pointe on Thursday. Our Platinum Pass offers unlimited classes, students can choose their schedule and attend all classes that are in their age range/skill level throughout our session.

Multiple Class Discount: 10% off of total tuition when enrolling in more than one class. Not to be used in combination with dance passes or for workshops, camps, master classes or intensives. Example: If you enroll in Intermediate Jumps, Leaps & Turns with a tuition rate of \$60.00 and Intermediate Jazz with a tuition rate of \$70.00, your total due would be \$130.00 - (10%)\$13.00 = \$117.00 tuition.
