PLEASE NOTE: THE COLOURS OF THE PRODUCTS SHOWN IN THIS CATALOGUE ARE AS ACCURATE AS THE PHOTOGRAPHS AND PRINTING PROCESS WILL ALLOW. SINCE ALL PERMACON PRODUCTS ARE MADE FROM NATURAL MATERIALS, SUCH AS SAND AND STONE THAT MAY CHANGE OVER TIME, COLOUR AND TEXTURE VARIATIONS ARE TO BE EXPECTED. WE STRONGLY RECOMMEND THAT YOU MAKE YOUR FINAL COLOUR SELECTION BASED ON A CURRENT PRODUCT SAMPLE RATHER THAN EXISTING PROJECTS OR THE PHOTOGRAPHS SHOWN HERE. IN ORDER TO SIMPLIFY THE SELECTION PROCESS, THE SAME COLOUR NAME MAY BE FOUND IN VARIOUS PRODUCTS. THIS IS MEANT TO COORDINATE PRODUCTS WITH SIMILAR COLOUR TONES, AND DOES NOT IMPLY PRECISE COLOUR MATCHING.

THE PERMACON UNIVERSE

At Permacon, we are not just manufacturing stone; we build the living space of your dreams in perfect harmony with its surroundings.

Throughout time and evolving trends, we've forged an enviable reputation for ourselves, which is reflected in the confidence we enjoy with our suppliers, professionals and consumers.

With Permacon, quality and dependability aren't merely promises, but concrete facts. That's why our products come with a full 50-year warranty.

COMPETENCE

Experience can't be faked. Over the years, Permacon has accumulated a wealth of knowledge and developed unparalleled expertise.

In our offices, factories, warehouses and quality control lab, our expert staff work to offer products that surpass the most demanding consumer expectations.

Permacon is the first choice of architects and contractors who need a supplier able to provide the absolute best material.

COMMITMENT

The exceptional quality of Permacon products would mean little without the relationship we enjoy with our clients and partners. This bond of confidence is based on respect, responsiveness and availability.

At each of our 13 production facilities, 300 showrooms and on worksites, we maintain an active presence throughout the process in order to ensure that the results are up to our high standards.

CUTTING EDGE

Permacon has long been a trendsetter that brings innovation to life. This forward thinking was embodied a few years ago when we established the industry's only R&D Centre in North America.

Whether by redefining the industry or introducing best practices, Permacon always pushes the market forward.
