

Dear Sam,

We just wanted to thank you for your wedding services! We really appreciate your help organizing and arranging our entrance. We had the time of our lives! Thanks again,

-Sheri and

Samuel,

We can't thank you enough for the fantastic job you did at our wedding. You truly went above and beyond our expectations and we had the BEST time ever. Our guests keep telling us how great of a time they had and we owe it all to you! You created such the party atmosphere that nobody wanted to go home; they still wanted to party. Thank you again for making our reception the most memorable day of our lives.

Thank You
