

# Group based, community **MICROFINANCE**

Committed to eliminating poverty, Fantsuam Foundation offers micro-loan and micro-savings programmes supported by a range of integrated services specifically designed to meet the needs of rural communities

- Do you need access to credit or savings schemes to help run your business and look after your family?
- Can you form a group of friends who will join you in using Fantsuam's microfinance services?

# Microfinance services offered:

- Loans starting at N5,000
- Savings accounts
- Commission-free, interest bearing Adashe savings schemes

# Supporting community services:

- Training in loan management, business development and family health
- Care programmes for children and the elderly
- Health and HIV community based care services

# Benefits

- Our field officers travel to your community for loan disbursement and collection
- Training for your business and your health so that you can keep your family secure
- Group based guarantee model so only minimal collateral is required to access loans
- Competitive interest rates for savings and loans
