PSNA Grading 2015:

Please NOTE: Coaches and team contacts, any concerns over your team's grading please contact Kerry Whitty ASAP. All eligible grades (except inter 3) have equal amounts of teams so this will make it easier for regrading (if need be) after round 1. Those in 11/12s have been combined due to insufficient 11s. These teams will be split into 2 groups for finals. Any correspondence to the Appeals committee MUST be submitted through the club.
