

2019 TRENDS

in Home Decor

"In" in 2019

- Pantone Color - "Living Coral"
- Rich, deep jewel tones with an edge, bold indigo, emerald green and dark teal
- Maximalism, with bold colors, copious patterns and rich textures
- Mix design styles and eras, modern with vintage, mismatched patterns
- Floral fabrics and wallpapers in abstracts and chintz
- Bold, dramatic wall colors
- Boho vibe with a vintage modern twist, cleaner, brighter, layering and patterned fabrics
- Mixing 2-3 metal accents - brass, gold, nickel
- Curved, softer lines on sofas, chair, tables
- Art deco style
- Painted kitchen cabinets in blacks, grays, deep blues, washed blues and greens
- Indulgent, high-end bathrooms using blacks, bold, dark, sultry designs
- Extravagant linen and velvet bedding
- Light wood floors, birch, beachy white, light oak
- Passanterie with modern twists on trims, bullion fringe and tie backs, vibrant colors
- Statement ceilings
- Acrylic furniture, oversized lamps and sculptures
- Organic, nature inspired accents
- Colorful art or photographs, artisanal, boutique, unique handmade items
- Your personal touches

2019 TRENDS

in Home Decor

"Out" in 2019

- Minimalism
- Ikat and geometric trellis patterns
- Pastel tones
- Harsh geometric lines
- Having Mid-Century Modern everything
- Shibori, mudcloth and indigo
- Fiber art, macrame
- Cool greys
- Rooms without color, overly designed with only one look (matching materials and furniture)
- Copper furniture
- Rose gold
- All white kitchen cabinets, stark white rooms
- Spa like bathrooms
- Overdone brass
- Accent walls with dramatic color as a focal point
- Lacquered furniture, overly polished pieces
- Terrazzo tile, quartz & stark white countertops
- Store-bought wall signage
- Farmhouse look (mass produced not original)
- Succulents
