

Judy Jordan McNeil – Class of 1972

“Live your life to the fullest.”

My family home during high school was at 3619 East 57th St. off Swope Parkway then we moved to 7219 Myrtle.

I had brothers and sisters who also attended Southeast—Daniel, Betty (Cookie) - deceased, Patricia, Michael, Keith, Annette, and Dennis

I participated in pep squad and I was president of the pep club.

My most vivid memory of life at Southeast was the riot and the senior trip to Atlanta. I enjoyed meeting and hanging out with friends and partying.

Away from school, I enjoyed football and basketball games and skating

After high school I went to college, got married and now I'm happily divorced. I have worked as a criminal investigator for the IRS.
