This resort course was designed by skillfully incorporating the coastline allowing you to enjoy the scenic views and greenery of the Ise-Shima National Park while you play. The overall flatness and wide width of the fairways are accommodating, but a series of turret-shaped greens and Allison style bunkering are used, along with the natural undulations, to keep it challenging.

Major competitions have been held here for the 10 consecutive years: "Mizuno Classic ~ Ise Shima ~" (2006 ~ 2014) and "TOTO Japan Classic ~ Ise Shima ~" (2015). Also an official US LPGA match was hosted here adding to the courses and areas legacy as a top tour destination for both professionals and amateurs alike!
