July 16, 2016

Dear Brothers and Sisters,

On behalf of the Most Worshipful Grand Master, it gives me immense pleasure to extend to you a most cordial invitation to enroll into the M.W. Walter Gulley Jr. Masonic University of Instruction.

As pioneers in the field of education, our Grand Lodge and Grand Chapter collaborated to develop four innovative degree programs, which include Associate, Bachelor, Master, and Doctorate degrees in masonic education. Each degree program has associated with it a state-of-the-art curriculum, contemporary course topics and objectives, knowledgeable instructors, and three general requirements for those who choose to enroll: (1) Register for and pass masonic courses within the degree program of choice; (2) conduct and present masonic research, and; (3) participate in a prescribed number of service hours with the Knights of Pythagoras or the Starlight's Youth Council. Persons who successfully fulfill the university's requirements for graduation will participate in a graduation ceremony and receive a university medallion and special seating during future Grand Lodge sessions.

Associate degree courses shall begin on Friday, September 16th, at 7PM. Course work will continue on Saturday, September 17th, from 10am until 6pm, and wrap up on Sunday, September 18th, at 1PM. To maximize participant learning, classes will include lecture materials, interactive activities, group exercises and assignments, and a final exam. Moreover, university instructors are responsible collectively for designing and delivering educational modules that ensure participants truly enjoy the process of learning and that promote continuous fraternal engagement. Please find enclosed the curriculum for the Associate of Arts (AA) degree in Masonry.

The cost to register for the Associate degree is \$160 per person. Should you decide to enroll into this unique, educational endeavor, a completed registration form and a check made payable to the **Most Worshipful Union Grand Lodge of Florida Foundation** should be mailed by *Friday, August 13, 2016* to the university registrar, Sister TinaMarie N.
