PROGRAM EVENTS

Purpose and Scope of Meeting

The Osage Minerals Council is very proud to present the 12th Annual Oil & Gas Summit! The theme for the summit is:

“Osage – Discover the Potential”

Numerous technical classes will be offered, with something for everyone, as well as discussions with leading operators in Osage County.

There will be even more exhibitors this year with lots of new products. This year’s meeting will offer excellent speakers, great food, a luxurious hotel with great room rates, and information that you need! It’s the perfect learning time for everyone. Last year’s summit was the largest attended ever, and we are hoping to have an even bigger and better summit this year!

JOIN US, WON’T YOU!
