

## Briar Grove HOA Board Candidate Biographies

**TJ Burns:** I am 38, a one-year resident. I am in my 14th year as a high school educator, former HOA treasurer and Vice President. I offer myself to serve on the board of Briar Grove because I feel we not only need people who are experienced but also know how to communicate effectively with everyone involved in the community. I believe in researching before answering and freedom to live on your property as you see fit so long as it does not affect those around you.

**Jorge Galaviz:** I am a real estate tax consultant that represents clients in tax appeals. I have currently organized and tried to bring the neighborhood together as a community to address issues and problems that need to be corrected such as current HOA transition, sidewalks, lighting, flooding, security... etc....I am also the Director of Communication for the Knights of Columbus HOA. I am also CERT certified in the event of a disaster. I was also an organizer for one of the Red Cross shelters during Harvey. I believe I can bring leadership and experience in community involvement.

**Scott Humes:** I am a Robotics teacher in Conroe ISD. I have lived in the subdivision for the last three years and have been serving as the Board President for the last year. I would like to see our subdivision further improve and thrive.

**Corin Nice:** I have ten years nonprofit management experience and have worked side by side with several different board groups on many projects and initiatives on both the state and national level. I have been honored to serve as Vice President this past year and I hope to continue to offer my knowledge, experience and insights in a collaborative way with other residents, in order to keep our neighborhood running smoothly and maintain it as a great place to live.
