## Last Week's Run Report

**Hare; 15 Me nuts ( at the last minute, Thankyou).**

**Food; Humper, Thankyou - Location; Richmond Raceway**

The \* Hooray, Its Rainbow Power\* Run

Hello Everyone ....

Are you sitting comfortably ? ...Then I'll begin .....

In a land far, far away, named Chester there lived a man called Adam who had never been to a REAL Hash run. Oh, he was a Hasher from an \*Impoverished\* group but none of them had ever had a Hash name or heard of a circle. Sure ... they met at various pubs so they could have a variety of roots (HEE HEE !) but sadly, they had never experienced real Hashing fun !

Fortunately, he came across the fabulous Freo Hashers and all was to change ...

There is a happy ending to this story as Adam was named \*Rainbow Warrior\* by Freo and he will return to Chester with a more wordly view of this fine activity. (and a T-shirt to show off) Look out Chester Hash !!! ..... the times, they are a changing !

Had to recount that story as it was so funny ....

On to the run report ...So the \*hero\* Hare -15 Me Nuts- did a good job setting the run at short notice. BJ (stand-in GM) was efficient, if a little distracted, as he forgot a few things ..... (such as NEXT WEEK'S RUN !) The pack was sent off on the same trail with variations for runners and walkers here and there. It was such a well marked trail that we all ended up at the gorgeous drink stop about the same time. For once there was enough drinks for all and we enjoyed the distant views.

Back at the circle the score was pretty much a perfect 10 so 15 Me Nuts could heave a huge sigh of relief as she was a bit unsure of herself. That led to a charge or two of course and then there were more ..... being unsure led to the RA asking all kinds of personal questions (eg. if you were interested in a same-sex person ... who would you DO ?) This, of course, was due to the momentous decision of the Peoples Republic of Oz to say **\*\*YES\*\*** on same sex marriage laws.

There were some interesting answers and jaw-dropping disclosures but. .what happens at Hash stays at Hash ... :)

We had a number of jokers and true story tellers and ended the night with a delicious dinner catered by Humper. What an awesome night !
