## Events On Time, On Budget

### Specializing in bringing people together.

Executive Meeting Planners, LLC (EMP) provides event management solutions and creates value added experiences for groups, corporations, financial firms, insurance companies and professional associations of all sizes and within all budgets.

EMP, LLC places an emphasis on INCENTIVE PROGRAM MANAGEMENT. It is central to our business and our President's expertise in this area spans decades. EMP, LLC recognizes that the development and operation of an incentive program is different in many ways than a business meeting, trade show or convention.

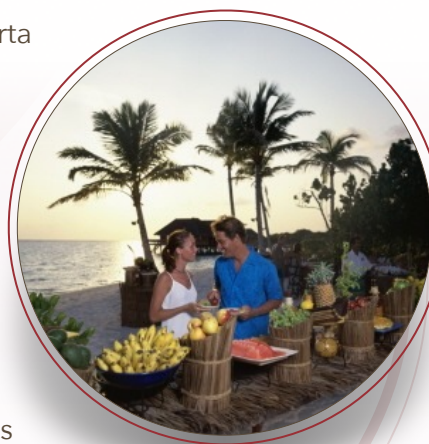

Executive Meeting Planners, LLC (EMP) is an event management company providing unique world-class events, conference planning and incentive travel. EMP, LLC. will provide time-saving and valuable event planning to companies that need destination/meeting planning expertise, who are understaffed, or unable to take on the time consuming tasks of site selection and meeting planning. Take advantage of our Executive Directors domestic and international event management expertise.
