PLAYEROS VOLLEYBALL CLUB REFUND POLICY

Refunds after Nov 1, 2018 are only available on a case by case basis.

Refunds will NOT be given if a player chooses to quit for any reason including lack of playing time or other coaching decisions or if a player is removed from the team by the coach or Playeros Volleyball Club due to unsportsmanlike conduct or other player issues.

Partial refunds will be given in the unfortunate event of injury, illness, etc.

Any refunds will be prorated at an amount determined by the club after taking into account the duration into the season, cost of the team package, the number of tournaments played, and any costs incurred by the club.
