You may know I am a member of the VFW Auxiliary, but do you know what our great organization does to help veterans in our community? We visit veterans in VA Hospitals, nursing homes and veteran's homes. We lay wreaths on the graves of America's heroes on Memorial Day and Veterans Day. We visit schools and educate our town's youth about patriotism and the American Flag. And, we offer scholarships! These are just some of the ways the VFW Auxiliary is active in our local community. If you're a relative of a veteran who served in overseas combat and are interested in joining me in any of these activities, contact me and I'll be happy to speak with you about my involvement in the VFW Auxiliary. You may also visit the national website at www.azvfwaux.org

The VFW Auxiliary is one of the nation's oldest veterans' service organizations and our members are the relatives of those who have served in overseas combat. We have nearly 470,000 members nationwide who volunteer millions of hours and fundraise millions of dollars for charitable projects that benefit veterans, military service personnel, and their families.

Through our National Programs, we assist the VFW pass or block legislation that impacts veterans and their families, provide nearly a million volunteer hours in the VA medical system, conduct patriotic programs with thousands of students and offer hundreds of thousands of dollars in scholarships for our nation's youth. With more than 4,000 Auxiliaries, there is likely one in your area working to improve the lives of America's uncommon heroes. Click here to learn more or join now: www.azvfwaux.org
