DANNY BOY

1994-2010

He has touched the hearts of
so many people, young and old.
His memory will be with us always.

Heres to you Danny!
May you be run free, sleep in the sun
and graze in green pastures
to your hearts delight.

We love you!

*Emma Seely and
the Mt. Eden Vaulting Club*

The Region II Website is Up

www.americanvaulting.org/findclub/region_sites/regionii

During the next week or so it will be made current. If there is anything you would like to see online, please email Marianne@mariannerose.net. Remember that we also have a Yahoo Group for communication within the region. You can advertise an event or horse for sale, ask questions to the members, share ideas and tips. You must register to be part of the group but it is very easy and you will then be "in the loop". Contact carolyn.conner@verizon.net if you have any questions about the Yahoo Group.

Would you like to promote your club/
demonstration/fundraiser? Do you have any
great ideas about what you would like to see
in or contribute to VW2 (stories, pictures,
articles, whatever)? Share with the entire
Region. Please email VW2 editor, Marianne
Rose at marianne@mariannerose.
Thank you!

The AVA offers an interactive
horsemanship program for vaulters
and coaches designed to enhance our
relationship with our most important
teammate: **THE HORSE**
EARN A CERTIFICATE AND PATCH!

To participate in this motivational program,
contact Marge Oakes: 732 Camino Del Bosque
NW, Albuquerque, NM 87114, Email: oakes@swcp.com

Sibling Vaulters

A Trot Vaulter Shares Her Opinion

Holly Kuhn

Vaulting with a sibling gives me mixed feelings: happiness, pride, jealousy, and sometimes aggravation. If you are an older sibling, you might congratulate your sibling on their ribbon or you might think that it is embarrassing – having someone related to and younger than you score higher even if you compete at different levels. For me, it depends on my mood. On most days, I am so proud of my sister. Other days, sibling rivalry kicks in. For the younger sibling, I think that it is easier. You can just worry about yourself and try your best. My sister Kristen and I give each other lots of support. After all, we are teammates and, as sisters, we share so many experiences. Even though my feelings change from day to day, I always try to remember that my sister is mine and no one else's.

Jennifer Kuhn (mom)

Holly Kuhn is a ten-year old about to finish fourth grade at Baywood Elementary in San Mateo, California. Despite Holly's modesty, her achievements and progress in vaulting have impressed her family and coach. Holly and Kristen have vaulted with Woodside Vaulters for over three years. Holly vaults at the trot level, while Kristen, age eight, competes at preliminary trot. They both are on the trot team.

Congratulations to the Region II Team and Individuals who earned the opportunity to represent the USA at the 2010 World Equestrian Games.

******Unofficial Results******

Team: FACE, Alternate Team: Sundae Rush (Composite Showtime, Half Moon Bay, Pacific Coast)

Individuals: Women: Megan Benjamin, Mary McCormick, Alicen Divita, Alternate: Katherine Wick; Men: Kenny Geisler, Todd Griffiths, Kristian Roberts, Alternate: Patrick Stevens

GO TEAM USA!

NEWBIE!

Sometimes It's All About Friendships.

Talulah Hickman-Smith (the blond in back) is six years old. She lives in Saratoga and has been vaulting with Mt. Eden for a year or so. Her two older sisters vault as well. She absolutely loves vaulting and is constantly cartwheeling all over the place. She especially likes hanging out with the older kids (shown here with Michelle Guo).

Photo: David Thrasher

Each issue of VW2 will feature a new or beginning level vaulter.

Recycle!

What you do about recycling at the barn and at a competition?

Jana Morse - Mt. Eden

- 1) How can we be environmentally conscious at practice?
 - Have vaulters bring their own water bottles
 - Have clearly marked recycling bins
 - Have teams take turns collecting recycling from barrel area every month (money to be donated to club)
- 2) How can we be environmentally conscious at competitions?
 - Water jugs vs. water bottles
 - Have vaulters bring their own water bottles (i.e. Sigg bottles or Camelbacks)
 - Recycling bins
 - Help collect recycling
- 3) How can we make our fundraiser/food booth green?
 - No more styrofoam
 - Recycling bins
 - Water jugs vs. water bottles
 - plates and cups that can be recycled
- 4) Designate someone in our club to chair a green committee. This person will have the support of team moms who will, in turn, communicate responsibilities and information to their team members.

Kelley Holly - Tambourine

At my barn I have a garbage bin and an additional container for the recycling that is collected once a week. I encourage the kids to use reusable water containers and lunch totes for their snacks. For our barrel competition we tried to have food served on recyclible products and bought in bulk and then seperated out and served. The other thing we do when we go to competitions is that each vaulter brings a beverage container with their name on it so that they can have their drinks and drink some and then set it down and come back to it later. We also swap clothing from the bigger vaulters and hand them down to the smaller ones.

Alethea Traskin - Starlite

We use the tractor to disc the manure into the ground at least twice a year. We also give it away to the neighbors for their gardens. Jesse takes aluminum cans, waterbottles and newspapers into the local recycling center. Other recycling materials are picked up by local waste disposal trucks. At competitions we put our containers in a recycling bin and are happy that someone will benefit as well as the environment. If there is no recycling container available we usually try to take our empty water bottles and cans home with us.

Share your ideas and tips for making our sport greener. Please email VW2 editor, Marianne Rose at marianne@mariannerose.

The picture on page 14 of the May issue of VW2 was originally miscaptioned. It is Kyra McCarty winning Silver on Vermeer.

Vaulting Camps in the North Bay Area

Carolyn Conner

At Morning Star Farm in Novato, Hailey Byars, a former Morning Star vaulter taught the vaulting sessions on Daisy at the day camps for kids age four to fourteen. www.morningstarfarm.info/

Hailey Byars and Daisy taught campers at Morning Star Farm in Novato.

Photo: Carolyn Conner

The Happy Trails Camp in Nicasio featured Eric Garcia and Tanita.

Photo: Carolyn Conner

At Friendly Trails camp held at Dougherty Arabians in Nicasio, Tambourine vaulter Eric Garcia conducted the vaulting sessions to some very talented campers with Tanita. Alane Freund runs the popular camp for her riding students every summer. Vaulting has become a fun part of her summer camp program. Alane can be contacted at friendlytrails@sbcglobal.net

At Willow Tree Stables in Novato, competitive vaulters Piper Frank and Leah Sache have been this summer's vaulting instructors. Cocoa, a Belgian/Quarter cross mare carries the campers daily, culminating in a show for the parents every Friday afternoon.

www.willowtreestables.com/

Cocoa worked with Piper Frank and Leah Sache at the Willow Tree Stables in Novato this summer.

Photo: Carolyn Conner

Vaulting on Parade

Carolyn Conner

The annual 4th of July parade in Novato had over 100 entries this year.

Photos courtesy Carolyn Conner

Tanita of Morning Star was part of the Novato Junior Horsemen entry with Leah Sache, Isabella Marmer and Olivia Marshall demonstrating vaulting.

Olivia is three years old and vaults with the Willow Tree Vaulters. Leah and Isabella are long-time members of Morning Star Vaulters.

The Novato Junior Horsemen are putting on an all day Western Day horse event on August 21st at their arena at 600 Bugeia Lane in Novato. Morning Star, Tambourine and Willow Tree Vaulters plan to give a 20 minute vaulting performance just after the lunch break. For more information about Western Day: www.novatohorsemen.com/

Did you and your vaulting club do something especially fun or exciting this year? Did you run vaulting camps, perform demonstrations, hold a fund-raiser? Share the memories with the rest of the region. Please email VW2 editor, Marianne Rose at marianne@mariannerose. Thank you!

Region II Hero

Marianne Rose

You have all seen him out there on the tractor. Round and round he goes, never resting until the footing is absolutely *perfect!* That's Roger Roy, one of the AVA's hardest working volunteers.

Roger is an immigrant from Alberta, Canada. He lives in Lincoln (near Sacramento) and works as tech support. He became acquainted with vaulting during the 80's when his daughter, Tina, found her vaulting passion at Mt. Eden Vaulting Club in Saratoga, California. Her sister, Maureen also vaulted.

Like so many of us, Roger just started helping out. He enjoys the tractor work and is a wonderful announcer. He became a good friend of the Garrod family and even had a wedding at Garrod Farms – in the vaulting arena! Jan Garrod says "Roger has a heart of gold and loves all the vaulters. He is also a stickler for detail."

You won't find anyone more experienced with vaulting footing or more dedicated to making our sport safe and exactly right for each and every vaulter. Thank you, Roger, for your continuing, caring, diesel-powered generosity.

Roger sometimes picks up high-hikers! Kate Revell enjoys the ride at Nationals.

Photo: David Thrasher

Who's your hero!

Please email VW2 editor, Marianne Rose at marianne@mariannerose.

Thank you!

Complete results for competitions held in Region II are published. Placings and scores for members of Region II clubs are published for competitions outside Region II.

Mauvoreen

*Photos:
Primo Ponies*

Wyeth

**Achilles of
Greece**

The ever-popular California Gold Classes introduced some new vaulting horses such as Achilles of Greece from Nu Balance, featured "old hands" such as Pacific Coast's Wyeth and gave some other horses such as Mauvoreen from Gold Rush time in the arena.

Minutes - Region II Meeting July 8, 2010 - Grass Valley, CA

Jill Hobby

PRESENT: Officers: President-Kelley Holly (Tambourine), Vice President-Susan Frankel (Pacific Coast), Secretary-Jill Hobby (Tambourine), Treasurer-Fran Hoke (Tambourine), Education Director-Megan Grove (Phoenix), AVA Regional Supervisor-Carolyn Conner (Morning Star); **Members:** Carol Beutler (Circle of Friends), Alexandra Gifford (Woodside), Bill Brown/Nancy Stevens-Brown (Independent), Sheri Benjamin/Kimberly Dunham (Mt. Eden), Eileen Jassowski (Gold Rush), Michelle Solorzano, Delany Altman, Miranda Prints, Daniel White, Jullian Petering, Payge Galvan (Nu Balance); **Guest:** Emily Reed (Big Horse).

MINUTES November 22, 2008:

Kelley read and reviewed a copy. it was noted the minutes are posted on the Region II Website.

APPROVED: Accept prior minutes as posted on the Region II Website.

TREASURER'S REPORT: (as of March 31, 201 quarterly statement). Region II checking account has a balance of \$7,446.21. Region II Education account has a balance of \$4188.56. Pending bills: fest office materials, hospitality, score sheets, water truck, shavings, facilities maintenance, Fest steward, medics, and fest judges. Entry fee deposits are still pending from a few clubs. No charge will be incurred for removal of shavings. Stalls need to be stripped and pens dismantled. It is anticipated that expenses will exceed income for this fest. After payment of all fees and collection of outstanding club fees, the Region II checking account should maintain a balance of approximately \$10,000. **APPROVED:** Pay the outstanding bills.

Minutes Region II Meeting July 8, 2010 continued

OLD BUSINESS: No current fest issues were presented;

NEW BUSINESS:

High Point Awards for Region II: New ideas:

T Shirts “Champion”, “Reserve Champion”, and “Winner”; blue with yellow print. Carolyn Conner and Michelle Solorzano and Carol Beutler to research vendor and printing costs. AVA President Sheri Benjamin recommended polling the target audience (vaulters and previous winners) for their preferences. Carol Beutler saw a positive response to wearable award items like jackets. Each club was requested to assign an older vaulter to poll the team and report findings after the fest. Vaulters to choose between a jacket, windbreaker or hoodie-type sweatshirt as an award. Posters of winners were very popular last year. Presented to Champions and Reserve Champions, available for purchase by anyone else. Other ideas: Calendar of winners (like posters – Collage of pictures of winner with horses); Duffle bags (GTM sportswear has them for approximately \$20 each on sale); Vaulting shoe certificates for all vaulters who competed at all Region II competitions; Softie shorts with “vaulting” on back.

November 2010 Region II Annual Meeting/Clinics: Tentatively scheduled for November 20th. Megan Grove raised a concern regarding declining attendance to the educational clinics. Suggestions: Have awards in November and clinics in January 2011; Have a more social board meeting to bring in parents and friends with wine and appetizers; Focus on interactive clinics with parents, interested participants, partners, supporters and coaches; Clinics to include other skills such as martial arts, relationship to moves and conditioning; Bring in former champions as clinicians; Performance clinics for lower level vaulters; Possible source of clinicians - Recipients of USEF funds must donate time to USEF activities. Currently there are approximately 25 days accrued to USEF to be used for AVA activities; Focus on lower level, helps with succession planning in support against the loss of the enthusiasm and skills as top vaulters move on; Train the Trainer clinics/longeing clinics

Nationals 2010 in Santa Barbara: Facility issues noted: Pricy small stalls, dusty, no turn outs, narrow walkways. For set up, recommend assignment of one side of the isle for horses, other side empty (tack room/changing rooms). Kelley Holley to look into. Need an ongoing organizational committee for this event. Should have a representative from each region to discuss and solicit input within the region. Scheduling issues: Schedule classes to draw spectators on all days. By putting some trot classes on Sunday rather than all trot classes on Thursday at the beginning of the fest– trotters have the opportunity to view upper level vaulters Generally Thursday has the unrecognized classes only and the remaining three days only recognized classes scheduled. Advantage lower costs than having recognized classes over four days. Disadvantage vaulters with all their events on one day generally do not stay for the remainder of the fest/loss of those vaulters support and development with the interaction/ watching upper level competition. Scheduling team freestyles in the afternoon can increase risk to vaulters due to exhaustion (full day/heat). Hold big events in the evening (“show like” atmosphere draws crowds).

Review of Region II Constitution and Bylaws: Committee members volunteering to review and comment or recommend changes: Robyn Martin, Carol Beutler, Sheri Benjamin, Carolyn Conner, Kelley Holly

Region II is now a club under AVA: There is some question as to whether or not a State of California Business ID number is needed for its non-profit status (In addition to the Federal EIN #) Fran Hoke to research.

Issues with Region II Annual Competition: Lack of volunteers; clubs not providing the necessary/required volunteer time. Without the volunteers this fest cannot proceed successfully. Signup was via CompWeb. Unfortunately few sign ups/no coordination of jobs needing volunteers with clubs. Recommendations: Assign jobs to a club to fill as best works for the club; Large posters listing jobs needing volunteers posted at fest; For purposes of this fest, signup sheets posted soliciting volunteers.

Calendar 2011: Morning Star/Willow Tree Fest possibly October 2nd (probably lower level emphasizing tiny tot/walk/trot with upper level vaulters as the officials); Woodside Vaulters 1st or 2nd weekend in June; Nu Balance Vaulters Barrel Fest tentatively – March 19; Garrod’s Spring Classic May 14/15; CVISaratoga June 11-12 or June 18-19; Tambourine Barrel Fest February; USEF High Performance Clinic Fall; Nationals Denver, Colorado August 11-14

Region II Annual Championships: Nevada County Fairgrounds in Grass Valley Santa Cruz County Fairgrounds in Watsonville (July 28-31, 2011); Issues are timing for Nationals for horses and vaulters travel/condition and Zone Awards; Fran Hoke to research Nevada County Fairground date availability. Marianne Rose is the contact for the Santa Cruz County Fairground facility. Additional recommendation; Hold a “Series Class” (vaulting – educational event – horsemanship event) for all events. Entry in this class gives the vaulter: automatic entry in lottery for prize such as fees for Region II Champs or pass for vaulter/friend to a “Pass Party”, pass for free ice cream at social.

High Performance Camps: Recommend a lower level (i.e. Bronze) performance clinic. The camp be non-USEF but with AVA support under an Educational Grant. Pacific Coast Vaulters may team with Mt. Eden in support of this type of clinic.
