

Thank you to the hundreds of guests who made our second year back in Sarasota a tremendous success!

Following are the winners of our Major and Special Awards, plus a look at some of the activities that went on during our 2019 shell show.

Again, thanks for your support and we look forward to seeing you all in 2020!

**We would like to thank
our Scientific Judges for
their hard work!

SARASOTA SHELL CLUB COLLECTIONS

The Sarasota Shell Club was formed in September of 1983 to bring together shell lovers in Sarasota, Manatee and Charlotte Counties. Our membership ranges from casual collectors to those who are actively working on the beach. We help support the "Caribbean" and "Atlantic" shell clubs that take local school classes on field trips to learn about marine environments. We also support organizations involved with the study of the marine environment, such as the Betsy Ross Museum on Sanibel Island.

Our Objectives:

- Develop an interest in and knowledge of shells and related materials.
- Build a respect for the environment inhabited by shells and related materials.
- Provide assistance in collecting and identifying shells.
- Provide a venue in which collectors may exhibit collections and exchange.

For more information on the Sarasota Shell Club go to our website: www.sarasotashellclub.com
