**6<sup>th</sup>/7<sup>th</sup>/8<sup>th</sup>:** By now, you've had the opportunity to see mid-quarter grades for the second quarter (I can't believe I'm saying that). Please help in communicating book reports for those that may be a little behind. We will spend what little time we have this week wrapping things up and breaking at good points in our subjects wherever possible. For those who are participating in the gift exchange, the students have elected to draw names. This is for anyone who may utilize the holiday break for shopping. I like blue, myself. Just kidding. With the Thanksgiving holiday in mind, I would like to express my gratitude for the opportunity and privilege of working with this group of students. No tests this week. **- Mr. Ewing**
