Notes:

- 1) Shirt counts are approximate. My T-Shirt Quilts are not always tic-tac-toe style. I try to be a bit more unique and will fit the shirts you send (within reason) into the size quilt you order.
- 2) I use both fronts and backs in my designs (sometimes, even pockets!) unless you specify otherwise.
- 3) All quilts are machine quilted with an overall, medium density design to best accent your shirts.

Other Important Stuff:

- 1) I use 100% cotton for sashing, borders, backing and binding. But...it's your quilt, so you can opt to use flannel (medium warmth & weight) or fleece (very thick & warm) for the back. If you want to use one of those specify which _____.
- 2) Color of added fabric on the front. Is it ok for me to use what I think works best with your T-shirts and/or theme of the shirts? _____ yes _____ no
If no, what color do you want _____

Note that backing and binding colors are my choice to match your shirts

3) Do you need the quilt completed by a certain date? What date? _____

Please allow 8 to 10 weeks for completion.

When your quilt is near completion, I will notify you to send the balance due. Quilts are then shipped either USPS or UPS.

Now that you have answered all my questions, all you have left to do is:

- 1) Pack up your full, smoke-free, clean T-Shirts (if I have to wash them there will be an additional fee). DO NOT CUT THEM! Put them into a plastic bag and then into your mailing envelope or box. Don't worry about them being flat and neat.
- 2) Print, fill out and enclose this order form.
- 3) Enclose your deposit of 50% made payable to either Janet Bergman or Quilted Horse Designs.
- 4) Call 610-721-9027 or email quiltedhorse@icloud.com to confirm shipping address *dates below are subject to change*

	Quilted Horse Designs c/o Janet Bergman
April - October	464 Geigel Hill Rd
	Ottsville, PA 18942
November-March	844 N. Barfield Dr.
