

Friendship Poems

by Janet Vargas 2012-2014

Soul-mates are people who bring out the best in you.

They are not perfect but are always perfect for you.

Friends are Life's Gift of Love

If people like me didn't know people like you
life would lose its meaning and richness too...

For the friends that we make are life's gift of love,
and I think friends are sent right from Heaven Above.....

And thinking of you somehow makes me feel
that God is Love and He's very Real.

Treasured Friendship

In trust and harmony
our friendship, you and me.

Treasured times together
a fond-ship that lasts forever.

Looking forward to those special times
we'd meet somewhere nice
when the weather is fine.

We'd share our secrets, yours and mine
Yes, pleasant and happy times.

True Friendship

If you're feeling joyful or sometimes bleak
your presence I would always seek.
We lend each other special strengths
we're with each other for the length.

We seek to build each other up
in joyful loyalty and trust.
We like to have those special times
where we share our secrets __ yours and mine.
True friendship lasts forever.

Let Friends be Friends

Be careful who you allow to shape your thinking
for the words of some will send your faith sinking.
Don't let their words affect your hope
sometimes they're not happy unless you cope.
Friendship is not meant for meeting one's needs
this would be kindness, yes indeed
If they would truly understand.
an ear to hear and a helping hand
are meant for occasions, what celebration!
If they don't respect this then do not miss
a moment to tell them this truly offends.
Friendship is for happy times
caring yes but not all the time.

Attributes in Friendship

You don't have to meet my every need
but we're there for each other when there's
a special need.

Joyful times we like to share
that should not have to be one that's rare.

Life's not perfect, this we know
in these times our kindness shows.

We're there for each other
like sisters and brothers.

You have my trust and loyalty
affections that were meant to be ___
always constant but I am free.

Seek for balance and liberty.

Lunchtime Acquaintance

We like to go for lunch together
Meeting with you is such a pleasure.
My times spent with you I do treasure
I hope that this friendship lasts forever!

Valued Friendship

A precious bonding__ yours and mine
we meet together all the time
when the weather is rainy or fine.
Trust is the essence of our love
given to us from God above__
sent to us on wings of a dove
faithfulness, trust and love.

Wisdom in Friendships

We're not confidants all the time
the weather does not have to be always fine.
Occasional confidence when the need arises
we give each other special surprises.
That is a friendship that deserves our trust__
yes, a friendship that will truly last
the tests of time__
when everything does not work out sublime.
Where pleasant acquaintance makes one refreshed.....
On these qualities our friendships should rest.

**"Life is partly what we make it, and partly what is made
by the friends whom we choose." ~ Tehyi Hsieh**

Uplifting Friendships

A friend is someone we turn to
when our spirits need a lift.

A friend is someone we treasure
for our friendship is a gift.

A friend is someone who fills our lives
with beauty, joy and grace
and makes the whole world
we live in a better and happy place.

Worthy of my Friendship

A friendship that's kept in consideration
is one that's held in celebration.

One that's worth such cultivation
and leading to pleasant expectations.

"Treat your friends as you do your pictures, and place them in their best light."

~ Jennie Jerome Churchill ~

A Lasting Friendship

Joy is the keynote of our times
not sadness and problems all the time.

Yes, that is a friendship to be sought
a friendship that cannot be sold or bought.

With certain qualities and strengths __
we remain together for the length.

**Sometimes there are no words needed between friends ...
a knowing look or a hug can say much more ~ Author Unknown**

True Qualities in Friendship

You have a say and I have mine
we may not fully agree all the time
You don't have to meet my every need
that is a kindness, love indeed.
Your manner fosters special trust
not given to pride contempt or lust.
That is a friendship that will work
where discontentment does not lurk.

Healthy Friendships

People are not always at their best
on these qualities our friendships should rest:
Forgiveness when one speaks a word out of line
but it should not be necessary all the time
Some interests to be shared and ventured
pleasant times that we can treasure __
that does not have to be without measure.
And occasional time for adventure.

**Yesterday brought the beginning, tomorrow brings the end, and somewhere
in the middle we became the best of friends ~ Author Unknown**

A True Friend loves at ALL times.

Forever Friends

Sometimes in life you find a special friend
someone who changes your life just by being part of it.
Someone who makes you laugh until you can't stop.
Someone who makes you believe that
there is really good in the world.
Someone who convinces you that there is a
locked door just waiting for you to open it.
This is forever friendship.

The Miracle Of Friendship

There is a miracle called Friendship
that dwells within the heart
and you don't know how it happens
or when it even starts.
But the happiness it brings you
always gives a special lift
and you realize that Friendship
is God's most precious gift.

Giving is the Key to Living

*Every day is a reason for giving
and giving is the key to living....*

*So let us give ourselves away
not just today but every day.*

*And remember, a kind and thoughtful deed
or a hand outstretched in a time of need*

*Is the rarest of gifts for it is a part
not of the purse but a loving heart....*

*And he who gives of himself will find
true JOY of heart and PEACE of mind.*
