Last Week's Run Report

Run 670 – Location – SAVOIA PIZZA in Beaconsfield. Hare – Rowdy laid some chalk down.

Beautiful weather and an all you can eat menu saw a good turn out for run 670, it even brought some familiar faces out of the wood work. We had a little pre-lube drink in the rear courtyard of Savoia before the Hare briefed us on the punishing 'Not too long' trail he had set.

We set off in a southerly direction with both walkers and runners setting a cracking pace. The hare's skill in laying the trail was spot-on seeing the first of the runners arriving back at Savoia at the same time as the walkers.

A few drinks later, the splash was ready and the circle was called. Our GM **COOKIE** put **CHECKER** on the spot for the run number, he failed twice at getting it so it was up to **HEADLIGHTS** who never lets the team down and gave us the right answer.

ROWDY was summoned to the circle to face the critics, **D-CELL** gave a rather high score of 9 ½ out of 10 on behalf of the runners. **SHEEP SHUNTER** rated it 9 out of 10 on behalf of the walkers and they all got a song and a down-down.

There were too many long-time-no-sees and visitors to mention (about eight of them) -they all got a song and a down-down too.

The RA, **PINK BITS** stepped in and called the hare back in to the circle for his 'Sneaky but clever' trail. **GPS** was charged with being tardy and the naughty shorts were surrendered to him by **STEAMER**. **CHECKER** was quick to charge **STEAMER** for the disrespect he showed for the naughty shorts by throwing them to the ground. This charge almost stuck and **STEAMER** nearly got the shorts back if it wasn't for **GPS's** protest because he actually wanted the shorts.

(Visitor) **SKIPPY** charged **D-CELL** for denying him access to her wi-fi. **YO ADRIAN** was charged for her warning shouts of approaching dogs on the trail so that **LOFTY** could get his pooch out their way.

SHEEP SHUNTER and **SHAFT SNIFFER** were charged with having their hands in their pockets during the circle. **PENGUIN** stepped in to remind everyone that it was St Andrews Day. **LOFTY** stepped in with a story of the inebriated **PENGUIN** and how he bought enough registrations to Hash events to last him a lifetime and then getting worried that his money may have been wasted if he didn't live to use them.

Late-cummers **SCREWDRIVER** and **BUTT-LESS** were given a down-down.

PINK BITS, (Visitor) **SKIPPY**, **CHECKER** and **SCREWDRIVER** all told a joke and **AH-SUP** had another true story for us.

The circle was closed with a reasonably good rendition a club song.

The hungry horde took their seats at the table and demolished the salads and garlic bread that were served first then we fought each other for the first few pizzas that landed on the table. A good night was had by all.
