

The health and safety of all our dancers is our greatest priority. To help reduce the spread of COVID-19, please adhere to the following safety rules while dancing with Fine-Hammond Dance Studio.

Thank you for your understanding!

1. Face coverings are **required** in the Lobby and entire carpeted area of the dance studio, as a 6 foot distance cannot be maintained in this area. Each child must have their **name written on their mask**, if they need to remove it while dancing. Masks will be kept in the student's dance bag during class.
2. **Face coverings are highly recommended** but not required on the dance floor. As a reminder, we wear a mask to protect OTHERS around us. Please prepare your child to wear their mask the entire class. Students will stretch in their masks and remove them only if necessary.
3. Each student, instructor and assistant will have their temperature taken as they enter the studio. Studio surfaces/equipment will be sanitized each business day. All studio staff are required to self-quarantine for 14 days if directly exposed to COVID-19.
4. Each student must use hand sanitizer as they enter the studio.
5. Students cannot bring food into the studio.
6. Floor markers will be permanently placed on the dance floor easily enabling students to maintain a 6 foot distance from one another. Students will be required to maintain this 6 foot distance. If a student is unable or unwilling to maintain a 6 foot distance in class, they may be asked to discontinue dance for this season.
7. Parents of children age 7 and older, please send your child into the studio alone and please wait outside the studio for your child to be dismissed. A tuition drop box has been placed near the studio front door. Please quickly drop your tuition in this box or send it in with your child.
8. All classes will be dismissed approximately 10 minutes before the next class begins, as equipment/surfaces will be sanitized during this time. Please **DO NOT** send your child into the studio until it appears that the previous class has been fully dismissed.
9. Please do not be late when picking up your child from dance class, as this greatly delays and interferes with our safety efforts.
