Listen carefully to the story, "Amy Learns to Read" and answer the questions below:

Amy wanted to learn how to read. She asked her sister to teach her. Amy's sister gave her a book. It was shaped like a square. It was color yellow. The alphabet was on the cover. When Amy opened the book, she saw an apple on the first page. Her sister read the word "apple" out loud. Then Amy said the word "apple" out loud too. They read the book together. Amy loved her new book even more.
