### Open Event

#### **Update on Future Farm and Environmental Support on Exmoor**

**Date:** Thursday 30<sup>th</sup> July 2020 **Time:** 8pm-9pm **Venue:** via Zoom or Telephone from your own home. *Joining details available please register your place.*

The next five years will see huge changes in the way government supports farming in England. The Basic Payment Scheme and current agri-environment schemes are being phased out and a new Environmental Land Management scheme will be piloted next year before being rolled out in 2024. EHFN has been at the forefront of work to shape the new scheme and is supporting a 'test and trial' that involves 25 holdings on Exmoor, large and small. Details of what the scheme will pay for and how it will operate are starting to emerge from Defra. Robert Deane, who is helping to run the Exmoor 'test and trial', will give an update on Defra's plans for the new scheme and how it could affect Exmoor farms. You will have a chance to ask questions and comment on Defra's proposals. Please respond to this email if you would like to join the meeting and the details and password will be circulated on Thursday morning. It is possible to join by telephone also so please get in touch to register. We look forward to seeing many of you next week after what seems a long few months of limited activity. We will endeavour to make the meeting public on our website after the meeting so people can access if they are unable to join us on the evening. Finally if you have a question ready to ask prior to the evening please get in touch and this will allow us to utilise the time on the evening.
