## Zoroastrian Dalmatians Puppy Application

We completely understand the urge for the potential puppy presents to want to come visit our puppies. As the puppies get older, we will be willing to schedule short visit with the puppies but

in the meantime, you will be given access to the 'Puppy Cam' which will allow you to be a part of the puppy fun 24/7. We also post weekly Facebook and website update of our puppies so you will see many photos and videos until you are able to come meet them!

The mission of Zoroastrian Dalmatians is to preserve and improve the Dalmatian breed through healthy and conscientious breeding practices. In order to allow us the ability to advance our breed, it is important that we keep dogs in "Show Homes" so that we can continue to use them in our breeding program. With that said, "Show Home" owners will always take precedence over "Pet Homes". After the "Show Home" puppies have been established, "Pet Homes" will be matched up with their puppy.

## Zoroastrian Dalmatians Puppy Application

Completing this application is the first step in the process to being considered for a puppy from Zoroastrian Dalmatians (Sara & Abraham Seitz). However, it does not guarantee you'll get a puppy from this or any future litters. Zoroastrian Dalmatians reserves the right to refuse any placement at any time.

Zoroastrian' puppies are \$1600. If this application is approved, you will be notified when the puppies are born and be required to send a \$500 non-refundable deposit within 7 days to hold the puppy. Please note our deposit policy: if you make a deposit, you are committing to take a puppy from the litter, regardless of whatever your gender/color preference is available. Should you elect to not take a puppy from the litter, the deposit is forfeited. We do our best to match your preferences.

Puppies will go to their new homes at 8 weeks, we can hold puppies for extended times with prior arrangement. However, it is critical for their social development that the litter departs within a reasonable timeframe. Puppies must be picked up within 7 days unless other written arrangements are made.

We will not place a puppy without a signed contract. We believe it is the professional way to memorialize our obligations to each other on paper so there are no questions later, and for that reason it's a bit lengthy. If you have questions about specific terms, please feel free to contact us prior to picking up your puppy.

We do not allow any puppy to leave our property prior to 8 weeks of age, **NO EXCEPTIONS.**

I have read, understand and agree to the above statements.
