

Fabric Hut has an event on May 4 that I am really excited about. I'd like it to be shared with your guild members.

Northcott's Sales Manager is coming to the Hut May 4 at 11:00 to give a presentation on how designs are chosen, the printing process and more. I have a write-up, a poster, and links with more information I can provide anyone who would like them.

Who should I contact to ask if it can have a spot in a newsletter, announced at a meeting and put online?

Thanks for your help in this,

Shilo
