

# The Gospel

We all have heard this word a million times The Gospel. How many of us truly know the gospel? I am not talking the little tract books or the ABC's. Not that these are bad, but how many of us can go to the Bible and show what the gospel truly is? The Gospel has the power to change lives! People were willing to be excommunicated, put in prison, even martyred for it. All but one of the disciples were murdered because of it. The one not murdered was John, and it was not like he was living a joyous life in prison. Many others throughout history also have died for it. So, what is this thing that so many were willing to give their lives for so that it could continue growing? What does the Bible have to say about it? This week I am going to give 4 points on what the gospel is and on the fifth day we will bring it all together.
