Last Week's Run Report

Run No; 701 Hare; Yo Ho with assistance from Catflaps

Location; 22 Little Howard St Fremantle

Hi Guys I had to work on Friday so am days overdue (for everything !?) Sorry this is short but sometimes its the best I can do !!!

The Yo - Flaps Run With Gloves.

What shitty weather it was on the night of a FREO HASH RUN ! ? Did anyone turn up ... well if you didn't you missed out ... It was soooooo goooooood !

First of all, a few select Hashers comiserated over a small portly drink, (no need to elaborate ...!) that it was indeed a bad night to be out so they promptly put it back in ...???) (Who is writing this ...?)

The run was washed out and the Hare had envelopes (OH REALLY ... ENVELOPES !?) for the runners to assist with the journey ... but he accompanied the walkers all the way ... so kind ...

It was a lovely run/walk and we were all back with no losses ...! (Damn !)

The circle revolved around late-comers and glovesGLOVES ? really ? you may ask ... well you had to be there for that moment (Pink Bits is still waiting for the orderly queue) (NB No futher info about research at this moment !)

It was a great circle and even the Hash song was goodly sung !

Nosh was exquisite ... hotly delish ! Really hotly ... ! Goodly HOT on a chilly night ... MMMmmm

See you next week for WHO KNOWS ...

ON -ON

P B (with a few kisses)

See here for where to go.....For this week's run, that is.
