

Francine Thompson Ellsworth - Class of 1973

Southeast Memories

Two of my most memorable classes and teachers are Drama Class with Sharon Anderson and Home Etiquette with Mrs. Bailey.

I participated in drama class and art class, and I was a majorette.

During high school, my family lived at 2305 E. 38th Street. Outside of school, I enjoyed art.

After graduation, I attended junior college. Currently, I am an administrative clerk.
