## Last Week's Run Report

### Run 686 – Location – Mosman Park.

#### Hare Was difficult to tell, but I think it was 'Head Cook Hunter'

How do you outsource the only two requirements of the run (food and trail) – and still claim the run – well played is what I say - Ingenious!

'Twas an interesting night to say the least.

I've never witnessed a hare condemn their own run! Although it wasn't so much criticism as it was blaming the proxy hare for doing an average job. And that was just the beginning of the madness – the night got even stranger.

While most of us were looking for chalk and 6's on the run, it seems we should have been looking for street signs! Ok, I don't remember that being mentioned in the chalk talk. Oh well, we'll know for next time.

Steamer, X-Ray and Fumbles all struggled for a run number and White Pointer eventually put them all out of their misery.

Cookie did an amazing job with food. Chilli Con Carne with spuds and Banana Chocolate cake – which in a twilight zone, freaky coincidence – Cock Hunter had actually thought about banana cake too. Like seriously, you can't make this shit up!

Run Report from Buttless – Don't set it 2 days before.

Walk report from ACCA – Entertaining!

Our RA started charges with charging the Hare for lack of chalk, which was kind of like charging herself, but also charging Cock Hunter – so it was very confusing and I'm actually not sure who should have received the charge – but Cock Hunter did throw it back at the RA with a reply of 'you set it' ... so it was kinda weird and I'm not sure why the hare decided to blow her cover at this point.

White Pointer was charged for not noticing the chalk he was standing on and Horny charged Spackle for not being able to tell the time.

Headlights charged Cock Hunter for whinging and this is when we entered the twilight zone. Our Hare then just vanished into thin air. It was like being abducted by aliens, I'm not sure at what point of the circle this happened, but my memory from before and after is hazy.

I think it was awesome to finish the membership year on the most insane note. I went home and just relived the whole night in my head, over and over. Were we abducted by aliens who wiped

our memories? We'll never know. In years to come we will talk about this as one of the classic runs. You will hear people say 'were you at run 685' – it's gonna be like Woodstock all over again – you had to be there – and if you remember any of it then you weren't there!

Well done Cock Hunter – only you could deliver a night like this.

Apologies for my absence throughout the year. It's been mental to say the least. Big thank you to Pink Bits and Fumbles for having to suffer me. Good luck to the rest of you for 2017.

FreoH6 has been my saving grace this year with all the laughs it's provided me. I hope to continue to help in some capacity – even if I can't offer a great deal.

### **THE 2017 FREO H6 AGPU or THE CHANGING OF THE GUARD**

**What an awesome night was had by the huge crowd of members, past & present & visitors, who joined us to celebrate the above special occasion last Saturday night in Fremantle. The venue could not have been more appropriate and neither could the weather. Photos were taken and the formalities were dealt with quickly and efficiently. The fancy dress theme, got people thinking outside of the square and provided considerable joviality. The drinks were icy cold and plentiful, whilst the endless cuisine of fancy finger food, satisfied all palates.**

**See below for where to go.....For this week's run, that is.**

### Fremantle Hash Song #2

(To the tune of 'Love to have a beer with Duncan')

Oh, I love to drink piss with Freo  
We're the mighty Freo Hash, We run in moderation  
We swear we root, and get smashed

On On with our mates on Wednesdays  
Cause the atmosphere is great  
Oh I love to have a run with Freo  
Cause Freo's me mate

You don't fuck around with Freo  
And get the RA all up tight  
He'll make you rip your gear off  
He'll put your arse on the ice

On On with our mates on Wednesdays  
Cause the atmosphere is great  
Oh I love to have a run with Freo  
Cause Freo's me mate (Shit yeah)  
I love to drink piss with Freo,  
Cause Freo's me mate **ON ON!**
