mattifying moisturizer

Portulaca Oleracea Extract, used to treat infection and to relieve irritated skin, is excellent for skin

SOOTHING

Granactive acne reduces lesion count and provides

ANTI-MICROBIAL

properties to the skin

Spheron L-1500 is

MATTIFYING

with high moisture/sebum absorption and reduces oily feel

*Clinical data provided by third parties based on ingredients

WHAT YOU WANT TO KNOW!

product

A lightweight soothing moisturizer that revitalizes irritated skin. Vitamin

B6 derivative improves skin's overall healthy balance by visually minimizing pore size, shine and sebum production while botanicals reduce the appearance of irritation and inflammation. Hydrates while absorbing surface oils for a refreshed, mattifying effect.

skin type

- Oily
- Irritated
- Problematic
- Inflamed
- Blemishes
- Sensitive
- Post-treated

benefit

A lightweight mattifying moisturizer that soothes irritated skin while controlling oil and providing weightless hydration.

key ingredients

- Granactive Acne
- Panadoxine
- Spheron L-1500
- Hydrovance®
- Net-DG
- TEGO®-Cosmo C
- Allantoin

I BEAUTY

NO. 101 flawless foundation brush

product

Achieve complexion perfection with this pro-quality HD foundation brush. Dense bristles specifically designed to fit the contours of your face flawlessly blend and buff makeup for a perfectly airbrushed effect.

skin type

All skin types.

benefits

Perfect for application of serum, primer, foundation or tinted moisturizer.

directions

For pro HD results, distribute a small amount of I CONCEAL on the back of your hand or onto a makeup palette. Tap brush on foundation until bristles are lightly and evenly coated. Apply I CONCEAL in small circular motions beginning in the center of the face, blending outward and upward into the hairline.

pro tip

Transform your appearance by using the Flawless foundation brush and I CONCEAL to highlight and contour like a pro!

Dense bristles specifically designed to fit the contours of your face flawlessly blend and buff makeup for a perfectly airbrushed effect.

CONTOURING

To give the face a more chiseled appearance, apply I CONCEAL in a few shades darker than your skin to areas where you want to draw attention away. These areas generally include the hollows of your cheekbones, temples, forehead, chin and the sides of the nose.

HIGHLIGHTING

For highlighting, apply I CONCEAL in a few shades lighter than your skin to the places where you want to draw attention. For a dewy complexion, apply highlight to the under-eye area, top of the cheekbones, cupid's bow, and the middle of the forehead.

This brush works with liquid, cream or powder foundations.

Cheers to a flawless finish.
