Mar 27th JH Track at Butler @ 4:00 pm
April 2nd PK & K Screening
April 3rd Mid-Quarter
April 6th JH Track at Drexel @ 4:00 pm

THE BRIGHT SPOT: Work hard in silence. Let your success be the noise.

STUDENT OF THE WEEK:

KATIE CAMPBELL (GRADE 8)

What kind of music do you like to listen to? Basically anything
My favorite smell is: Brownies
Where do you like to shop? Crocs
Three words that describe me are: Funny, Athletic, Artistic

I am proud to announce Katie Campbell is the Bucket Filler of the Week. Katie has set really good examples in many ways. Katie shows a willingness to jump into a given task and try to work independently to work it out. She has shown the others this week how to help get prepared for the important Missouri Constitution test by taking good notes for a study guide, and that's really going to help her and her classmates. She's shown a very positive attitude in meeting classroom expectations. Keep up the good work, Katie! -Mr. Ewing

Preschool: March and Spring are in full swing. Please make sure your child is dressed appropriately for the weather. We were finally able to get outside last week. We will continue this as long as the weather is nice and we are dressed for it. Remember, no shorts until April 15th. We have been practicing cutting and gluing. I have heard from art teachers how nice it is that the kids are able to use these tools when they get to kindergarten. We talked about a dot being a lot...we don't need anymore than that. Our names are really taking shape. Please make sure students are holding the pencil correctly. Their arm should be resting on the table and not up in the air. Please ask, if you are worried about their form! Have a great week! -Miss Stacie

Kind/1st: This week we are working on nickels! We will be counting by 5s and identifying the nickel. We are also reviewing the clock and telling time to the hour. We are practicing and reviewing verbs and nouns. Don't forget to vote on Tuesday! Have a great week! -Mrs. Schenker

"I took some sense and made a nickel of it." -Drake

2nd/3rd: We will have a spelling quiz this week on Friday. In science we are starting on Earth Science. We're focusing on resources and technology! We have our rescheduled science test on Tuesday. In history, we are working on reading maps and charts. In math, we're on angles and geometric forms. Have a great week! -Miss Ettlin

4th/5th: I hope everyone had a great weekend and enjoyed the nice weather! 4th and 5th graders will finish their book reports this week and will start another poetry unit next week. In Math, both grades will have a test on Friday. In Science, 4th graders will read about force and friction and 5th grade will be getting ready to test over Ch. 16 next week. In English, 4th graders will be looking at how to use commas and quotation marks correctly and 5th grade will start a new unit on pronouns. In Social Studies, 4th graders have finished their MO symbols books and will be getting ready to test over Ch. 8 on Thursday. 5th graders will begin reading about the first battles of the Civil War. 5th grade will also have a label Africa Part 1 test next Thursday, March 19th. Have a wonderful week! -Mrs. Foster

6th/7th/8th: The 4th quarter has arrived, unbelievably. There will be a few slight changes to book report requirements. The three book requirement will remain, but one selection must be a Newberry Award winner. Also, oral book reports will have to be done without the benefit of having their written book report in front of them. This will take a little bit more preparation time on their part. In social studies, the sixth grade is finishing up on westward expansion and will be working towards the Civil War. Seventh and eighth grade will continue on their Missouri Constitution unit and will be taking their test this week. This is one of the constitution tests that junior high students are required to pass. - Mr. Ewing **Tests this week: 6th Social Studies: Tuesday, 6th Science: Wednesday, Missouri Constitution: Thursday, 7th Math: Tuesday**

MUSIC: Keep working hard! I am so proud of how well you know these songs. -Miss Stacie

CHARACTER ED WORD: AWARENESS: "The things that make me different, are the things that make ME"! -Winnie the Pooh. Being different or doing things differently is not a bad thing. We have been talking about the world and how each person learns differently and sees things differently. If we were all the same, the world would be very boring and a lot less colorful. Being aware of people's differences makes us a better friend and person. After all, sometimes our differences bring us together!

IMPORTANT DATES: 4/29/20: PTO Meeting/Student Performance/Science Fair/Art Fair/Book Fair, 5/1/20: Field Day (in the afternoon), 5/4/20: West Central Spelling Bee in Clinton, 5/8/20: K-8 Field Trip to Wonders of Wildlife in Springfield, 5/11/20: 8th grade graduation, 5/12/20: Last Day of school/Awards Assembly.
