## BEN SALEM VOICE

February 2017

Ben Salem United Church of Christ  
PO Box 128, Andreas, PA 18211

*The LORD, your God, is in your midst, a warrior who gives victory;  
he will rejoice over you with gladness, he will renew you in his love;  
he will exult over you with loud singing...*

Zephaniah 3:17 NRSV

Brothers and Sisters in Christ,

These are words we should always hold dear in our hearts. As I write this letter a historic event in our nation's history is taking place. That is because I am writing this as President-elect Trump is being sworn in as this nation's 45<sup>th</sup> president. As our nation moves forward there are many questions floating around in most people's heads. None more significant than – what kind of president will this man who has no prior political experience be?

As we begin our journey with President Donald Trump as our leader there are many people in this great country who are riding a high wave of optimism as they consider our new president and his resolute promises. They have put their faith in this man who has repeatedly reminded us that he is a political outsider and will therefore make changes to how government works – or - maybe stated more honestly - doesn't work. And I have no doubt he will attempt to make changes.

Unfortunately, as is the case with any human leader throughout history, these changes will be wonderful for some and likely not as great for others. And while I hope he gets even half of what he promised done for the American public when it comes to his prosperity promises – I also know that if we put too much faith in our human leaders we will always come away disappointed. With that being said I am confident this will also be the case with this president just as it has been with any of our past presidents. This is why I want us to take the words from scripture at the start of this letter into our hearts. I want us to remember that as our optimism wains in our human leaders - as it will always do - that the Lord – your God and my God – is always with us.

The Lord is a warrior who gives victory unlike any other warrior or leader. Being that I am a Pittsburgh Steeler fan and my team has a chance to play in the Super Bowl once again this year and knowing they have accomplished winning six Super Bowls throughout the years, I have learned that the joy that comes from them “winning it all” is only short lived. I am optimistic about their chances to be victorious in two more games but whether they win or lose I know, without a doubt, where my allegiance stands: with the warrior who gives true ‘victory’ as only our God in Jesus Christ can. Our true victory comes from knowing that the Lord rejoices in *us* and that through our openness to the love of God we are continually being renewed into our true image – that of the One Creator God.

Sure there are high points in our life here on earth – and many times they are brought about by others who we look up to, heck, without them life would be a dismal and bleak existence. But the one true and extended high all of us of faith have in life comes from knowing that we are cared for and loved by the Lord. Without faith in that knowledge the flow between the climactic and anticlimactic events of life would become like a rollercoaster we have ridden too long. Living in faith and knowing the Lord rejoices in us should give us a high that never has to end. As we move ahead with a new president as our leader may you all continue to experience the high of knowing you are loved and that the Lord exults with singing over you!

Blessings to you all,

Pastor Mike

## Family Promise Update

*Provided by Natalie Bojko, Executive Director  
of Family Promise Carbon County.*

We have made great strides in providing services to homeless families in our community. This would not be possible without the amazing support of the wonderful volunteers and community we have. This includes (but not limited to) our host churches, our support churches, our civic organizations, our board and committee members, our case manager, van drivers, and office angels. I want to thank all of you for everything!

### Some of the things we accomplished:

- Our Point in Time Count, we were able to have 2 for the first time ever in Carbon County! We also increased the number of homeless people we located significantly. The first year it was completed there was 1 unsheltered. In 2016 we found 10 unsheltered in our winter count and even more in our summer count.
  - House donation! The House in Lansford was donated. The rental side is up and running. Our amazing board -- Denise Miller getting bids and organizing the volunteers for the work, Tina Dowd Grant Writing, and Sky Fogal writing the business plan. We are hoping to have the women's shelter running by fall of 2017.
  - Our new van! Our families are safely traveling from church to church! This was a huge accomplishment!
  - Receiving funding from Emergency Solutions Grant! We look forward to having an additional way to support the services we provide to our community. This also brings along with it some upgrades in the technology we use to track clients. It will increase the continuity of care we can provide to people!
  - A grant to purchase parenting materials, pay a parenting facilitator. Also a grant to pay for additional therapy for our families. Homelessness brings a lot of emotions and we look forward to helping people sort through that!
  - Most importantly is all of the people we are able to help! This includes people in need of shelter, furniture, clothing, support, and resources! It has been an amazing year and I can't wait to have exact numbers to report out.
-

In addition, a great big thank you to everyone who helped during our Christmas hosting week and for all of the donations made that week. Ben Salem UCC provided gifts for an entire family, plus provided coats, hats, gloves, and a few small gifts for each child that was in the program during our hosting week. Simply Amazing!!! Thank you for your generosity!!!

**Our next hosting week will be March 19-25, 2017.**
