Greetings ONE-TLC Friends and Family...

We welcome new friends and family and acknowledge our Blessings as we join together in Community to share like-minded intentions and desires.

Through the Equinox Ceremony, we individually released outworn thoughts, feelings, and actions and replaced them with new thoughts and feelings to guide and align our future actions.

The ritual of ceremony includes Nature which allows new intentions and desires to become fully integrated within the body. They are then fully Realized in physical form and can be manifested in the most ecological and balanced manner.

Upcoming Event

We hope you will join us for our next gathering on **Saturday, October 27th** to honor Mother Earth in a Full Moon Ceremony. This is a special gathering! In October 2011 a Native American Medicine Wheel Ceremony was performed here by Lucie Barnett and became the catalyst for the creation of 'The Carmine Connection'.

This is a Free Community Event and Opportunity to Connect, Share, and Enjoy...

~You may join us any time between 10:00am and 4:30 ~

Joke of the Month

Wanting to Receive?

**There's No-Thing
to it but to do it!**

GRACIOUSLY

Message of the Month

The following was channeled by David during a ONE-TLC Board Meeting on July 3, 2017.

"Learn to receive. (graciously) This sounds easy. This is the crux, catalyst, and core of manifesting realities.

Shifting beliefs from 'I have to do something to make something happen' to 'I AM therefore, all life comes to me/us with ease and joy graciously.' If there is one core belief to embrace more fully it would be this ONE. I AM at your service!"

Collective: That teaching is 'The Mastership'. The barometer that ascertains your evolutionary ascension.

## Ray Consciousness

Ray Four embodies Harmony, Beauty, and Synthesis  
to Unify forces in the universe.

Questions to ponder:

- Are you striving for perfection in a 3D world?
- Do you share your gifts/talents with others?
- Can you use discernment in determining what needs to be done NOW and what needs to wait?
