

Hello Everyone!

Here are a few guidelines for our "New Normal" and way of doing business for now!

Please read and follow

- 1) Please wait in your vehicle or outside until your appointment time. There will be no waiting area.
- 2) At this time only one client per esthetician, no large groups or friends allowed to stay and visit, at this time.
- 3) Clients must WEAR a Mask for their entire service. We will also be wearing masks and sometime face shields. If you forget your mask or don't have one, we have some available.
- 4) Clients must upon entering the Spa sanitize their hands. We will have a small table set up for this upon entry.
- 5) No magazines or drinks will be offered during your service.
- 6) If you or anyone you are around is sick, please rebook!
- 7) Retail products still available for pickup or delivery. Please when you are in the Spa do not touch retail products or nail polishes. We will assist you.
- 8) We will be cleaning and disinfecting EVERYTHING between clients, as well as offsetting start times for Ireland and Allison.
- 9) At this time we will only be offering pedicures, manicures, waxing (except lip and chin), brows and lash lift and tints.
Unfortunately at this time we will not be offering massages, lash extensions or facials, chemical peels or microneedling. We will re-evaluate this decision in a few weeks.

A small COVID-19 fee of \$3.50 will be charged for each client to help cover costs of PPE and extra cleaning.

The Team at New Energy Wellness Spa
