TO WHOM IT MAY CONCERN:

It is my great pleasure to write this letter of recommendation for Virginia "Ginger" Korcal. I have known Ginger for over thirty years, and am very familiar with her professional development as a competent and accomplished paralegal and accountant.

I can state with confidence that Ginger is motivated, responsible, and has a positive attitude. Her skills are excellent, and she strives to accomplish each assigned task with attention to detail, intelligence, and dedication.

Over the last few years, Ginger has owned and operated her own business, providing freelance paralegal and legal accounting services to several attorneys. She mainly works from her home office, using her knowledge of computers, software, and technology to communicate and perform. I have found that she makes every effort to be available whenever I need a job done, either onsite in my office or virtually from her home office.

Ginger takes the initiative to identify problems and devise solutions. She has continually demonstrated strong communication skills and has a mind well-suited to business, management, and the law.

I currently engage Ginger's paralegal and bookkeeping services, and she is an integral part of my firm's success. Without hesitation, I support her as she continues to grow her business, and I commend her resourcefulness and proficiency.

Very truly yours,

DAVID L. CHRISTENSEN, P.C.
